

Meta was preparing to introduce itself to the world and wanted to unite its global workforce around diversity, equity, and inclusion. The goal was to create an experience that celebrated the company's evolving

Work, Services, About, Create with us

Video Production
Brickwall Creative

We developed the creative strategy, branding, scripting, and production for Meta's first-ever virtual summit series. Each four hour live broadcast connected thousands of employees from around the world through storytelling, workshops, and performances. The programming featured keynote speakers such as Yara Shahidi, Sukai Lee, Rasheeda Williams, Mahsima
